

YOUNG PARENTS VCAL PROGRAM

**Are you a parent and aged 15-20?
Not currently enrolled at school?**

Have you considered VCAL (Victorian Certificate of Applied Learning)?

We offer a Young Parents Education Program which reconnects young parents to access the VCAL in a supportive and flexible environment.

A holistic approach means babies are in class with their parents whilst studying VCAL and learning great parenting tips from experts within the community.

The Young Parents Program means you can:

- ◆ obtain direct experience in business & industry, developing skills & attitudes required in the workplace
- ◆ develop Literacy & Numeracy skills
- ◆ complete a nationally accredited Certificate II in Business Administration BSB20112
- ◆ successfully complete VCAL and a pathway to an apprenticeship, traineeship, employment or further studies
- ◆ learn about early parenting
