Circle of Security: *A Relationship Based Parenting Program*

This eight week program provides a safe and supportive small group where you can:

- Discover how your children learn to be connected or attached to you
- Explore how you can understand their behavior so you can enjoy a stronger relationship with them
- Watch Circle of Security video clips
- Share your own stories and experiences.

This program is time for parents/carers to have some space to think and learn, so please arrange alternative childcare for your children. Please also bring a photograph of your child to the first session so we can get to know them.

The group will be run by Bernadette Feeney, Speech Pathologist and Registered Parent Educator for Circle of Security Parenting ©, and supported by Christina Shi, Windermere Social Worker.
